

Industry-Supported Symposium (ISS)

Wound Balance Concept: Achieving Wound Healing with Confidence

Thursday, March 21, 2024 | 12:00 PM–1:00 PM EDT

LEARNING OBJECTIVES:

- Examine the concept of 'wound balance'
- Identify what prevents a wound from progressing and the critical role of wound biomarkers
- Employ early identification and modification of 'red flags' that may cause a wound to be at high risk of stalling and becoming chronic
- Describe the mechanism of action of SAP-containing dressings
- Recognize the importance of adopting a patient-centered approach, identifying the patient's individual needs, and ensuring that the patient is at the center of all decision-making processes
- Examine, via cases, advanced wound care modalities that engage wound healing support the natural physiological process.

Speakers:

**Alison J. Garten,
DPM, DAPS, CWSP,
CPED DPM, DAPS,
CWSP, CPED**

Podiatric Surgeon and
a Certified Pedorthist
Tenet Hospital at Piedmont
Medical Center
Charlotte, North Carolina

Wound Balance Concept: Achieving Wound Healing with Confidence

ACCREDITATION INFORMATION

Continuing Education credits for this internet live activity is provided by HMP Education. This internet live activity will take place from 12:00PM –1:00 PM ET on Thursday, March 21, 2024. There is no fee associated with this activity. Please contact info@hmpglobal.com for any specific requests or more information.

INTENDED LEARNERS

Industry-Supported Symposia are designed for physicians, physician assistants, nurses, nurse practitioners, physical therapists, podiatrists, and dietitians across all practice settings involved in the prevention, treatment, and management of patients with wounds.

INSTRUCTIONS FOR RECEIVING DOCUMENTATION OF CREDIT

To be eligible for documentation of credit, participants must attend the educational activity and complete the online evaluation form within 4 weeks of the program. After successful completion of the evaluation form online, participants may immediately print their documentation of credit.

In support of improving patient care, HMP EDUCATION is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Note: This statement is not an indication of approved credits. Please see below for full accreditation details, including credit types and totals, for this activity.

PHYSICIANS

HHMP Education designates each live internet activity, WoundCon - Industry-Supported Symposium, for a maximum of 1 AMA PRA Category 1 Credit™.

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSING

Each live internet activity, WoundCon - Industry-Supported Symposium, awards 1 contact hour.

Provider approved by the California Board of Registered Nursing, Provider #13255 for 1.0 contact hours.

Nurses should only claim credit commensurate with the extent of their participation.

NURSE PRACTITIONERS

American Academy of Nurse Practitioners National Certification Program accepts AMA PRA Category 1 Credit™ from organizations accredited by the ACCME.

PHYSICIAN ASSISTANTS

HMP Education has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with the AAPA CME Criteria. Each live internet activity, WoundCon - Industry-Supported Symposium, is designated for 1 AAPA Category 1 credit.

PAs should only claim credit commensurate with the extent of their participation.

PODIATRISTS

HMP Education is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. HMP Education designates each live internet activity, WoundCon - Industry-Supported Symposium, for a maximum of 1 continuing education contact hour.

Podiatrists should only claim credit commensurate with the extent of their participation.

USE OF PROPRIETARY NAMES

This continuing medical education activity may include device or medicine brand names for participant clarity purposes only, due to the presence of different branded versions of the same product. No product promotion or recommendation should be inferred.

UNAPPROVED AND/OR INVESTIGATIONAL USES OF DRUGS AND DEVICES

This activity may contain information about experimental and other uses of drugs or devices that are not currently approved by the European Medicines Agency (EMA) of the European Union or the Food and Drug Administration (FDA) of the United States. Participants are strongly encouraged to consult approved product labeling for any drug or device mentioned in this activity before use. The opinions expressed during this activity are the opinions of the respective authors, presenters or moderators and do not necessarily reflect the opinions of HMP Education.

DISCLAIMERS

The material presented and related discussions are not intended to be medical advice, and the presentation or discussion of such material is not intended to create and does not establish a provider-patient relationship. Medical advice of any nature should be sought from an individual's own provider.

The opinions expressed in this educational activity are those of the faculty and are not attributable to HMP Global or any of its subsidiaries or affiliates. Clinical judgment must guide each professional in weighing the benefits of treatment against the risk of toxicity. Dosages, indications, and methods of use for products referred to in this activity are not necessarily the same as indicated in the package insert for each product, may reflect the clinical experience of the presenters, and may be derived from the professional literature or other clinical sources. Consult complete prescribing information before administering.

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contraindications and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.

ADA STATEMENT

HMP Education complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please call 770.751.7332/609.371.1137.

GRIEVANCE POLICY

Any participant wanting to file a grievance with respect to any aspect of a continuing education activity accredited by HMP Education may contact Samantha Joy, Senior Manager, Accreditation and Compliance, by phone at 609-371-1137, by email at accreditation@hmpglobal.com or in writing at 104 Windsor Center Drive, East Windsor, NJ 08520. Ms. Joy will review the grievance and respond within 30 days of receiving the complaint.

PRIVACY POLICY

HMP Education protects the privacy of personal and other information regarding participants, educational partners, and joint sponsors. HMP Education and our joint sponsors will not release personally identifiable information to a third party without the individual's consent, except such information as is required for reporting purposes to the appropriate accrediting agency.

HMP Education maintains physical, electronic, and procedural safeguards that comply with federal regulations to guard your non-public personal information.

COMMERCIAL SUPPORT
